ST. PAUL’S FIRST LUTHERAN SCHOOL MISSION STATEMENT

St. Paul’s First Lutheran School assists families and children building excellent spiritual, moral and academic foundations for life, and producing life-long learners centered in Christ.

TRUNK OR TREAT: Please see attached flyer:

This year, because of the COVID-19 Pandemic, STP’s Annual Trunk or Treat will be a drive-through event, Friday, Oct. 30, from 5 to 7:30 p.m. in the back parking lot. Everyone will stay in their vehicle and to keep the traffic moving, the candy and treats will be handed to each child in the vehicle. Please line up on McCormick Street then turn right onto Bakman Ave.

If you wish to participate, please complete these two steps:

1. Drop off your \$5 minimum donation per family to the school office in an envelope labeled: “Trunk or Treat” with the student(s) name OR Venmo your donation to: **botero-mjoy** (any additional donation amount is appreciated and will go to purchasing fun treats for the children)
2. RSVP for your 1/2 hour slot in the car parade:

*** PLEASE ARRIVE AT YOUR DESIGNATED TIME SLOT * NO EARLY ENTRIES ***

Dress up in your favorite costume and decorate your cars! We will be taking pictures!

CHURCH ON SUNDAY:

At all times, and especially in our current times, it is so important that you and your family are listening and learning what God says in the Bible. We pray you are doing that on your own, and that you are attending a church, virtually, or in person.

All families are welcome on Sunday mornings to our services here at St. Paul’s. Please come. Our services are at 9:00 a.m. and are held outside in the school courtyard. We hope to see you there.

1ST QUARTER MISSION OFFERING: Each quarter at St. Paul’s we have a special offering taken to help support a mission somewhere else. This year our offering is for our church’s mission on the Apache Indian Reservation in Arizona. For well over 100 years our church has reached out and served the Reservation by supporting schools and churches that teach the gospel of Christ. Look for a special envelope for the Apache Mission.

RYOBI ELECTROSTATIC SPRAYER:

One of the ways we are working to keep our campus safe and healthy is through the purchase of a disinfecting sprayer. This device uses a disinfectant and electricity to kill the germs and viruses on surfaces. We can use this on all classroom surfaces, including cloth surfaces, but we will especially use it to clean our outdoor playground.
